

An UPDATE for PARTNERS of FEED MY PEOPLE

Delivery Procedures:

We want to make sure we do our best to deliver you all the items you've ordered! You can help us by checking your packing slip against the items you received, *upon delivery*, to ensure you have your entire order. If there are any discrepancies (incorrect product, too few, too many, missing) please go to the *Network Partners* webpage and fill out the Report a Discrepancy form within 3 days of your delivery. Even if no credit is expected, please report discrepancies so we may adjust the current inventory accordingly.

Returns:

If you have a return, items may be sent back on the truck that day or sent back with your next delivery, but we ask that you call us at 715-835-9415 ext. 5 so we are ready for the product to return to the warehouse. Please share the invoice number and product information at that time.

Be In The Know

FMP's polyethylene plastics

These items *can* be recycled!

NextTrex recycling program has begun!

We have a brand new Plastics Baler up and running to collect plastic to recycle and we would love your help in filling it!

Currently we are only accepting plastic during our business hours from 8-4pm, Monday through Friday AND on our returning delivery trucks. We are hopeful for some 24-hour drop spots in the near future. Stay tuned!

A list of the plastics we *can* and *cannot* accept are pictured. If the plastic will stretch when pulled, it *can* be included. If the plastic is shiny or makes a crinkly/crunchy sound in your hand, it *cannot* be included. Please remember, all plastics must be clean, dry, and free of food and organic residue.

These items *cannot* be recycled!

Thanks for helping us be kind to our earth by recycling your household bags and wrap into Trex's Earth-friendly composite decking and railing! Reduce, reuse, recycle!

Partner Highlight

Hornets Market Food Pantry,
 Colby, WI

It is always an exciting day when the Hornets Market in Colby, WI gets a food truck delivery! Pictured here is Dan, one of our volunteer delivery drivers, fondly referred to by the students as "Dan the Man." At the Hornets Market it takes many people to make the pantry run productively. When their food arrives they ask students and staff from the Special Ed. room and other classrooms to help unload.

The delivery pictured here was their biggest delivery yet due to the demand and need that is so great. Not only has their student population grown, their families have also grown.

Recently they had a class Food War to help build up their inventory, sponsored by the Student Council. The winning class with the heaviest donation received a sweet treat.

Hats off to this wonderful community, school, students, and staff for their continued support in fighting hunger!

Product Highlight

Discount Pricing on Pork!

Save those pennies! We have a couple of discounted pork products in the freezer that you might be interested in:

P701601 - Frozen Meat Pork Roast

As always, please buy only what you need, remembering others who may also be interested in this **OINK-redible** deal!

Help...We Need Banana Boxes

We are asking partners to return banana boxes as we use them to repack product. Banana boxes can be sent back with your delivery driver or dropped off at FMP.

Thank you for your help!

When packing Banana Boxes up to return, it is helpful for them to be stacked in "cubes." To do this, place 2 bottoms vertically, open sides facing in, inside a top. Then complete the cube by covering the 2 bottoms with the other top. Voila! A Banana Box *cube*.
