guests, you can call the toll-free FoodShare Helpline with any questions at 1-877-366-3635, go online at GetAQuestCard.org, or reach out to the Partnership Team at FMP to request flyers to distribute.

Featuring: The Community Table in Eau Claire

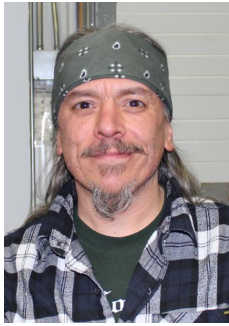

In recent years, food insecurity has affected up to 11% of residents in Eau Claire County, and this number has been growing.

Much more than a soup kitchen, The Community Table is Eau Claire's only meal service center. They serve nutritious meals - no questions asked - to 80-100+ guests, 365 days per year. They do this by bringing together a vast network of local businesses, civic and faith-based organizations, volunteers and private donors.

Thank you for all you do to feed our neighbors in need. We couldn't do what we do without you, Community Table!

Meet Our Team!

This month, meet **Joel Crandall**. Joel is our Warehouse Manager. He oversees the warehouse activities from receiving to shipping and all points in between, as well as scheduling, routing, and staffing. Joel loves the people around here - everyone from our volunteers to our Agency Partners and staff. The people he has interacted with over the last (nearly) 9 years have had a huge impact on not only our communities, but also his life in general.

Two **Fun Facts** about Joel are he has a 1973 Ford Bronco that he enjoys spending time on and almost 2 years ago he took up a new hobby - axe throwing!
