Meet Our Team!

This month, meet **Ken Sitzman**. Ken is our Volunteer/Rework Lead. He decides what happens with our donated product, whether it gets repacked, put into specialty bags, becomes a line item, or goes into miscellaneous food boxes. His favorite thing about Feed My People is our volunteers, which he organizes. He loves seeing their smiling faces and getting to know them. Best co-workers ever!

Two **Fun Facts** about **Ken** are his favorite sports are lacrosse, football (Go Vikings!), and hockey, and he has been blessed to be part of organ donation and adoption.
