

An UPDATE for PARTNERS of FEED MY PEOPLE

Reminders for our Partners...Please note:

Annual Agency Agreements for 2025 have all been mailed out!

If you are the Agency that holds the 501c3 or are a Direct Program of FMP, you should have received your Annual Agency Agreement for 2025 in the mail. After you sign it, you can either send it back to us in the mail or scan it and email it back to Ashley Olson (ashleyo@fmpfoodbank.org). We would like all of these agreements back no later than **December 16th**.

Happy Hunting

Do you know a hunter that would like to make a positive impact in their community by donating a harvested deer to *Wisconsin's Deer Donation Partners Program* to help feed their neighbors? Feel free to pass along this link: [Wisconsin's Deer Donation Partners Program - Wisconsin DNR](#)

Hunters can click on the "participating processor list" to see if there is a drop-off site in their area.

Venison from donated deer is processed and distributed to food pantries across the state. Since the program began in 2000, hunters have donated over 94,000 deer, which were processed into over 3.8 million pounds of ground venison.

Statistics

Thank you for getting your monthly stats in by the 5th of the following month. Your **November stats are due by December 5th**. Between the 5th and the 10th we need a few days to review everyone's stats for mistakes or things that are missing, reach out to Partners for clarification, and then your stats are due to Second Harvest Heartland from FMP on the 10th.

A reminder that **if your stats are over a month late, you will not be able to place orders through the FMP ordering site.** As soon as you get them entered, the system will open back up for you.

Upcoming FMP Closures

Happy Holidays! Feed My People will be **CLOSED** for **Thanksgiving** November 28-29, for **Christmas**

Partner Proud!

Featuring: Pantry Pals Food Pantry in Chippewa Falls

"We had super help from EC girl scout Troop #3342-9 girls and 6 Moms joined our 8 volunteers to distribute 3052# of food and serve over 50 lunches. What an amazing experience as God worked through each of us as we distributed food to those in need.

A big thank you to Troop 3342 for assisting with this distribution. We can't wait for this crew to join us again in February! Thanks also to Thrivent funds for making lunches to many, possible."

Thank you for all you do to feed our neighbors in need. We couldn't do what we do without you, Troop #3342, and the team at Pantry Pals Food Pantry in Chippewa Falls!

Meet Our Team!

This month, meet **Ashley Olson**. Ashley is the Assistant Manager of our Partnership Team. She supervises the day-to-day functions of the Partnership Team and works directly with our Partners by providing assistance and support. This is one of her favorite parts of her job. She also coordinates all things TEFAP. Ashley loves the staff at FMP because we work hard and laugh a lot!

Two **Fun Facts** about Ashley is she loves manatees and birch trees!
