

## An UPDATE for PARTNERS of FEED MY PEOPLE

If you choose to use a credit card to pay your monthly Agency Statement, a 6% transaction fee will be added by the credit card company. You will need to add this to your total before submitting your payment to FMP.

**Example:** Total due is \$200.00. Take  $200.00 \times .06 = \$12.00$ . Then add this \$12.00 to your total due of \$200.00 to get your grand

total of **\$212.00**.

## Are Your Thermometers Accurate?

It's important to make sure that your thermometers are accurately measuring food temperatures, and know how to adjust them when needed.

## FMP Volunteer of the Year

Last week, we honored our volunteers at our appreciation event to recognize all that they do. We held the brunch and celebration in our Hunger Action Center, where we also named our Volunteers of the Year:

**Mark Luethe:** Mark is a dedicated and dependable driver who consistently volunteers for routes that others may find less desirable. His commitment and positive attitude make him a standout member of our volunteer team. Mark's willingness to go the extra mile, both literally and figuratively, ensures that even the most challenging deliveries are handled with care.

**Barb and Terry McDougall:** Barb and Terry have been dedicated volunteers for over a decade, bringing their time, energy, and passion to every task they take on. In addition to their regular shifts managing pop-ups, they are always reliable when it comes to special events like Stamp Out Hunger, Feed the Love, and many others. Their long-term commitment and willingness to step up whenever needed make them invaluable members of our volunteer team.

Our volunteers mean so much to us, and their dedication, hard work, and generosity are truly inspiring. We couldn't do what we do without them!

**Welcome to Our Team!**

This month, meet **Ashley Anderson**. Ashley is the newest member of the Feed My People team. Her official title is *Administrative Coordinator*. She will handle all things HR as well as coordinating office activities and operations to ensure efficiency and compliance with company policies, procedures, and goals. She will also support financial and bookkeeping activities. She is looking forward to collaborating with all the departments at FMP to foster organization, great communication, and a little fun!

**Outside the office doors:**

Ashley enjoys spending time with her husband and 3 kids. She loves to travel, try new foods, and uses baking as a stress reliever.
